

Affina Recliners

Affina recliners offer a supportive and intuitive solution ideal for patient care. They embody sophistication, blending timeless elegance with a customizable design.

Key Features

A Safe Mobility
Recliners feature soft touch back handles for ease of repositioning by caregivers. Locking caster ensures unit remains stationary while patients are seated.

B Recharge and Relax
Affina I.5 and II recliners offer Heat/Massage and Heat/Massage + USB charging options for ultimate relaxation. With customizable settings and LED indicators, the control panel and power module on the right-facing arm ensure comfort and convenience.

C Supportive Surfaces
Select recliners come with top-mounted revolving or side-mounted fold-down tablet arms in veneer or laminate finishes. Side-mounted tablet arms are only available as right-facing on Affina I.5 and II recliners.

D Functional Add-Ons – Affina 1.5 and II
Options to add IV pole attachment, catheter attachment, and magazine pouch support caregiver and patient needs. Wingback option offers privacy to patients while resting.

E Rest and Recline
Affina II recliners include a retractable footrest on compression-locking casters for supportive comfort. All models offer various recline options, with Trendelenberg recline available across the range.

F Material Options
Seam Saver™ protection is standard on 1.5 and II recliners. Choose from Pallas Textiles, KI ingrade, or COM upholstery options. Specify as matching or contrasting fabric. Moisture barrier also available.

G Easy to Clean
When reclined, all recliners feature a push through to easily route dirt and debris to the floor.
