

LimeLite Nesting Chair

LimeLite nesting chair offers a sophisticated look and flex back comfort with mobile nesting convenience and versatility.

Key Features

- A Flex Comfort**
Inherent flex comfort is provided by the one-piece seat shell architecture and unique blend of materials (see detail).
- B Material Options**
Available as all poly, with an upholstered seat, or with an upholstered seat and backrest.
- C Integral Handle**
Seat shell design integrates a handle for easy lifting, moving and stacking.
- D Optional Arms**
Available armless or with cantilever arm.
- E Casters**
55 mm dual-surface casters suitable for carpet or hard floors in black, warm grey or cottonwood.
- F Forward Tilt Nesting**
Entire seat shell flips forward enabling convenient nesting for storage or transportation. Light pressure applied to backrest will unlock chairs - no lock or latch necessary.
