

LimeLite Tandem Seating

Beam-mounted LimeLite tandem seating features a slim seat profile, contoured shape, and inherent back flex for comfort.

Key Features

- A Flex Comfort**
Inherent flex comfort is provided by the one-piece seat shell architecture and unique blend of materials (see detail).
- B Material Options**
Available as all poly, with an upholstered seat, or with an upholstered seat and backrest.
- C Optional Connector Tables**
In-line and corner tables provide space-planning options for straight, L-shape, or U-shape configurations.
