

Ruckus Stool

Learning is enhanced with Ruckus stools when users choose the way they sit, learn, and interact.

Key Features

- A Integrated Handle**

Easily move and stack stools using intentionally designed back handle.
- B Field Replaceable**

Seat and back are mechanically fastened to allow easy field-replacement.
- C Stacking**

Unique frame design allows for stools to stack with or without book rack.
- D Book Bag Rack**

Optional book bag rack accommodates books of any size. The steel wire rack is available in matching or contrasting finish to the frame.
- E Glides**

Swivel glides available in nylon, steel, or felt to accommodate a variety of floor materials.
- F Casters**

Dual-wheel hard casters allow easy movement on carpet. Soft casters available for hard floors.
- G Integrated Armrests**

Armrest can function as a work ledge or backrest.
- H Upholstered Seat**

Optional upholstered seat pad offers added comfort.
