

Ruckus Worktables

Foster student engagement and support a variety of learning space layout and group dynamics with Ruckus worktables.

Key Features

- A Surface Materials**
Three distinct worksurfaces support active learning: butcher block wood, laminate, or phenolic resin.
- B Power Solution**
Optional power modules can be specified above or undersurface to support classroom technology and provide charging for devices.
- C Book Bag Hooks**
Optional hooks can be specified to keep book bags and belongings off floor.
- D Convenient Storage**
Cubby and tote storage within the base keeps learning spaces neat. Doors can be specified with locks and are available in a variety of colors to match or contrast.
- E Ease Relocation**
Two-piece base design and toolless removeable worksurfaces allow units to fit through doorways.
- F Durable Casters**
Industrial-grade 3" casters meet the rigorous demand of hands-on learning spaces.
