

Strive High-Density Cafe Stool

A versatile option for elevated surfaces, Strive high-density cafe stool provides comfort at a low cost. The elegant and lightweight design allows for easy lifting, moving, and stacking.

Key Features

- A Flex Comfort**

Slatted back and steel supports allow back to flex for increased comfort.
- B Material Options**

Available as all poly or with upholstered seat.
- C Integral Handle**

Integral handle eases lifting, moving, and stacking.
- D Height Options**

Available in 24" or 30" seat heights.
- E Foot Ring**

Foot ring is 1/2' diameter steel wire.
- F Glides**

High-density stool - four glides (plastic, steel, rubber or felt). Glide caps are interchangeable and field-replaceable. Ganging glides also available in plastic or steel.
- G Stackable**

High-density stools stack 20-high on dolly and 6-high on floor (poly). Transport dolly for ease of movement and storage.
