

Uniframe Cafeteria Tables

Easy to move, rearrange, store and clean under,
Uniframe® cafeteria tables make it easy to
accommodate any number of functions in one space.

Versatile Cafeteria Seating

Cafeteria furnishings need to swiftly, securely, and effortlessly adapt to various requirements. Uniframe cafeteria tables seamlessly facilitate numerous functions within a single area. These tables come in square, rectangular, round, oval, hexagonal, and octagonal configurations.

Features

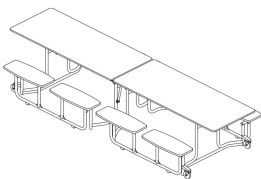

- Uniframe cafeteria tables make it easy to accommodate any number of functions in one space
- Pneumatic lift assist and torsional energy system enable smooth, effortless operation
- Shapes and sizes that adapt to any need: rectangular and round tables with bench or stool seating as well as rectangular, square, hexagonal, round, oval and octagonal tables without seating
- Height options include 27", 29" and wheelchair accessible 31.5". Round tables are also available in a stand-up height

Construction

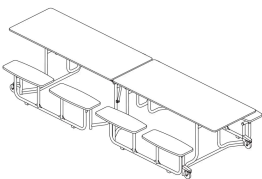

- Table tops and benches are made of 45 lb high-density particleboard with high-pressure laminate surface
- All legs operate from the unitized frame, not the table top
- Horizontal and vertical frame tubing is 14-gauge steel for enhanced durability
- Frames are finished in either baked-on electrostatically-applied 30-degree gloss epoxy powder-coat paint or bright nickel-chrome plating
- Stools are 13" diameter in either polypropylene reinforced with ribs or highly durable thermoset hard plastic
